WHAT IS GOOGLE CLASSROOM?

FOLLOW

follow

RULES AND REGULATIONS

follow

1.) Use your full name

- Inappropriate names are strictly NOT ALLOWED.
(example: anime, animals etc.)

*Failure to do this rule : Deduction on Khan Academy points (500 points)

FOLLOW

2.) Use laptop if possible.

- it is advisable for you to use laptop or personal computer IF AVAILABLE, so that it will be easy for you to transfer from google meet to google classroom.

follow

3.) Open your camera and turn off you microphone during class.

- Opening your camera is A MUST during class discussion.
 - TURN OFF your microphone while the teacher is teaching to avoid unnecessary noise. You may turn on your microphone if the teacher told you to do so. (example: class recitation).
- Moreover, If you have question as long as it is CONNECTED to the topic, simply raise your hand and wait for the teacher to call you.

FOLLOW

4.) Don't post/comment bad/inappropriate words.

- You are not allowed to post anything on this classroom unless the teacher told you to do so (example: the teacher instructed you to post your work on the class stream, then that is the time that you are allowed to post)
- You are allowed to comment on TEACHERS POST ONLY. If you saw your classmates post on the stream, giving your comment is **STRICTLY NOT ALLOWED.**

*Failure to do this rule : Deduction on Khan Academy points (1000 points)

follow

5.) Pass your classwork on or before the due time/date.-

- Right after each discussion the teacher will post an activity for you to finish in a certain span of time. The activity should be turned in on or before the due time.

*Failure to do this rule : Deduction on Khan Academy points (500 points)

6.) Re-submission of classwork.

- Many might ask "What if I got a low score? Can I retake?"
- You are allowed to take and submit your work **ONCE**. Re-submission is allowed only if the teachers gave you permission.

follow

7.) Download Kotobee Reader

- This application is necessary for you to open your EBook.

- Click this link to download the application:

<https://www.kotobee.com/en/products/reader>

- If it happened that you cannot download the application for the EBook, don't worry because the teachers will provide power points to serve as your notes instead.

FOLLOW

8.) Khan Academy

- The teachers will assign you activities in Khan Academy.

- To log in to your account, follow this link:

<https://www.khanacademy.org/>

- The teachers will give you your username and password to access your account.
